BHA BRIEFS

As Bloomingdale Square nears its renovation end, new stoplight and traffic patterns are in place. The Bloomingdale Avenue stoplight in place for several months, now has new right and left turn lanes. This should assist shoppers exiting the center.

Also active is the new stoplight at Bell Shoals and Starwood Avenue. This intersection requires caution as drivers are not used to both shopping center and charter school exit traffic.

How to save money on your property taxes! Deadline March 1!

We have reached a new year! If you purchased a home in 2019 or anytime in the past and just forgot to Homestead, now is the time to go online or visit the Hillsborough County Property Appraiser's office.

Do you know about your Homestead benefits? Is the home you're living in your primary home?

Hopefully the information below from the property appraiser will help you save some money in the new year. If you don't know how to check if your home is "Homesteaded," call anyone from The Chadderton Group and we'll check for you.

Florida law allows up to \$50,000 to be deducted from the assessed value of a primary/permanent residence. After receiving the first year homestead exemption, any annual increase in the assessed value is capped at the lower of 3% or the percentage increase in the Consumer Price Index. This is a big savings!

Here is what you need to know:

- The owner must have legal or beneficial title by January 1 of the year of the application.
- The statutory filing deadline is March 1.
- The owner must establish Hillsborough County as his/her legal domicile, reside on the subject property as of January 1 and be a US citizen or Permanent Resident.

- Owner must show proof of Florida residency (i.e. Driver license).
- If you are active duty military, you may qualify by providing the county with proof of Florida residency such as Florida driver license or LES (Leave and Earnings Statement).
- Proof of Citizenship (i.e. voter registration or permanent resident card).
- Owner should provide the address of the property, tax bill or deed/title.
- Social Security numbers for your spouse and any owner who resides on the property.

If you have any questions or want details, visit the website at www.hcpafl.org/Property-Info/Homestead-Other-Info. If there are special circumstances you can visit the appraiser office at 311 Pauls Drive in Brandon.

2019 REVIEW AND A LOOK AT 2020

By Tom Leech, President

Holiday Decorations and Community Signage

This past year witnessed several innovative changes to Bloomingdale operations. Most recently, you may have noticed the new holiday decorations. In addition to the traditional banners, the Board of Trustees voted to add the snowflake lights this year. Your feedback has been overwhelmingly positive so you can expect to see them again each year. The lights themselves now belong to the District. In the future, we need only budget for installation. Beginning in January, after the holiday decorations are taken down, look for all signs district-wide to be pressure washed and painted.

Photo: Geoff Dahl

We began 2019 talking about an upgrade to the community's main entrances. The surveying and boundary-definition process has taken longer than expected but we are pressing onward with the project. Our next steps include gaining County consent to use and access those areas owned by the County and establish any new easements or rights-of-way.

Off-Duty Deputy Program

The District experimented with a new security program featuring off-duty Hillsborough County Sheriff's Deputies. The program proved so successful that a five-month pilot evolved into a permanent, fully budgeted security program. The Sheriff's Office appointed a Liaison Officer dedicated to coordinate our program and the District plans to continue the program indefinitely.

Sidewalk Repairs

One on-going frustration involves the community-wide sidewalk repair effort that began in May. The District continues to work with Hillsborough County Public Works to resolve issues related to broken irrigation lines, turf damage, and trash and debris left behind. The project is scheduled for completion by March 1, 2020.

Board Member Thank You

Finally, I would like to thank Jay Kittle for his service to the community as a member of the Board of Trustees. Jay joined the board in 2016 and was most recently the Secretary and Community Relations lead. Thanks for your time and efforts, Jay. Best wishes to you in your future endeavors. we will continue to work with Public Works to address the problems as swiftly as possible.

Hillsborough County Helpful After Holiday Tips!

Compiled by Gwen Graverson

Disposing of your live family tree after the Holiday season...

Now that the holiday season is over with, its time to take down the holiday décor and decide on the best way to dispose of the now unwanted live Christmas Tree.

Pickup at the Curb

Curbside pickup of live Christmas trees is available to County solid waste customers by following these steps:

- Remove all decorations, lights, and tinsel;
- Cut the tree trunk, limbs and branches into sections no longer than 4 feet and no wider than 6 inches in diameter; and
- Place curbside on your regular yard waste collection day.

Drop it Off

Hillsborough County solid waste customers can skip the hassle and work of cutting their live Christmas trees into smaller pieces for curbside pickup by taking trees directly to one of the following Yard Waste Processing Facilities:

- 346 Falkenburg Road in Tampa
- 13001 U.S. 41 in Gibsonton
- 8001 W. Linebaugh Ave. in Tampa

The County's yard waste sites are open Monday through Saturday from 7:30 a.m.

until 5 p.m., with the exception of holidays. Customers are required to have a photo I.D. and their current property tax bill showing the Hillsborough County Solid Waste Disposal Assessment to access the Yard Waste Processing Facilities, and they must be able to unload the trees themselves.

Customers should also remove all decorations, lights, and tinsel. Artificial trees are not accepted at the yard waste sites. For any questions about taking trees to a Yard Waste Processing Facility, call Hillsborough County Solid Waste at (813) 272-5680.

Recycle and Reuse

One way to recycle your Christmas tree is to simply move it to your back yard. The deteriorating tree will provide a habitat for birds and other wildlife. To provide food for birds, you can hang suet or sliced fruit from the branches. You can also chop or grind your live Christmas tree and repurpose it as mulch around trees, shrubs, and flower beds. For more ideas and information regarding recycling and repurposing live Christmas trees, contact the Hillsborough County Extension Service's Florida Yards and Neighborhoods Program.

For information, the county's website: www.hillsboroughcounty.org/en, Facebook: www.facebook.com/HillsboroughFL/, or call 813-272-5680.

Get a healthy start to 2020; Register for Bloomingdale's Running of the Bulls 5k!

By Jane Owen

The Running of the Bulls 5k will be held on Saturday, Jan. 18 at Bloomingdale High School. The 5k starts and finishes on the track and the utilizes the sidewalks, roads and parking lots on campus.

Participants can run or walk the race and enjoy community support. The Bloomingdale Band Drumline performs. Student volunteers cheer for participants. Post-race food includes Chick-fil-a, Panera pastries and bagels and fruit. Participants receive a shirt and are entered into a raffle for donated items from sponsors, including race entries into Tampa's Gasparilla Distance Classic, a GNC basket, and gift cards to local businesses. Finishers receive medals.

Made possible by local business sponsorships, such as Gold Sponsor Acropolis Greek Taverna, the race is hosted by Band Boosters and supports the Bloomingdale band and athletic teams. Registrants can choose an athletic team to support during registration.

Bloomingdale Lacrosse Coach Matthew Borowski not only ran the 2019 race, he encouraged his lacrosse team to participate. "We participated because of the incentives that the Band Boosters gave our team. We struggle with fundraising dollars and we do not get much support from the district since we are also a pay-for-play varsity sport."

Borowski believes taking part in the race not only helps the school, it helps the Bloomingdale community. "The unfortunate part is education is annually getting squeezed for every dollar that we have so getting out and supporting a local organization is one of the best ways to build strong communities."

2019 Race Winner John Carter from Plant City said he is apt to run the race again, "Because I am competitive I always want to improve on previous race (times) but with the Running of the Bulls 5k, the pre and post-race activities is the main reason I mark my calendar for the event."

Borowski loved the ambience of the race, "We enjoyed the atmosphere the most. I thought the Band Boosters did a great job at creating an intimate atmosphere utilizing almost every inch of pavement on the school grounds. It was fun to see how they managed to fit 3.1 miles on campus."

Goodbye 2019, Hello 2020!

2019 was a year of change for the BHA and the community. The BHA came under new leadership as President George May stepped down for new President Suzy Watts. Construction continued at a frenzied pace with improvements to the community's parks, turnover of vacant buildings, the ongoing facelift of the Bloomingdale Square and lest we forgot, the widening of Bell Shoals Road. Traffic woes will continue into the new year.

2020 will see many of the BHA's programs and services continue to thrive and expand. Membership cards have been mailed. Dues are the same \$35 as last year – truly a bargain for the amount of work the BHA volunteers selflessly give to the community.

2019 BSHS Graduation

2019 Back to School!
Cameron Bird, Cimino Elementary – one of many resident submitted photos!

Goodbye 2019, Hello 2020!

30 Years of Education Excellence

The beneficial community-clean-up continues on March 7, 2020! Details are coming soon!

The BL Special District established an off-duty deputy program to improve safety and security in the community.

Bell Shoals widening officially started last year with the removal of trees and utility line work. Construction will continue for at least three years. Projects inside the Bloomingdale community include traffic calming on Natures Way, continued sidewalk repairs and subdivision road paving.

The Fall Fest was successful and fun for all! This year's event is expected to return in October or November.

The BHA is also involved in trying to resolve traffic cut-through issues at Bloomingdale entryways, including Bloomingfield Drive.

Park Renovations continued throughout 2019 at both East and West Parks. The latest improvement was the completion of pickleball courts at the East location.

Residents reached new Halloween decorating highs in 2019. Every year, more residents add to the Spooktacular event!

The Berntsen family, Jon, Heather, son Nikolai and their pup Sammy provided the most followed and heart-warming lost and found story of the year.

Here Comes Santa Claus, here Comes Santa Claus!

Volunteers, Thank you! We couldn't do it without you!

Santa Claus Came to Town!

The Bloomingdale Homeowners Association hosted Santa Claus and all his elves last month at The Village Early Learning Center off of Canoga Park Drive. This free public event was available to children and pets of all ages. All were encouraged to stop by between 11am - 3pm and partake in arts and crafts, a visit with Santa, and to have their pictures taken. Donations were collected, food and money, for families in need in the area.

Make a Difference with the School Student Services Department

The Student Services Department is starting a clothing and school supply resource closet and we need your help! If you have new or gently used clothing appropriate for high school students that you no longer need or want, consider donating to us to help students in need. As you shop for school supplies, consider donating them to us to give to students who need them. Together, we will make a difference! For information, contact Flossie Parsley, School Social Worker, at 744-8018, Ext 261.

Bloomingtondale Seniors Head Back to Kindergarten

By Wendy Knipp

On Dec. 16, five Bloomingtondale High School seniors returned to Cimino Elementary School to assist their beloved Kindergarten teacher Kerri Pepe on Craft Day – a day where her students make holiday gifts for their families. The students all had Ms. Pepe in 2007-2008 and have stayed in touch with her. They jumped at the opportunity to come back and help in her classroom. Bloomingtondale is lucky to have such caring teachers and giving students.

Bloomington Student Athletes Sign National Letters of Intent

Brief/Photo by Deidre Morgan

On Dec. 18, four student athletes signed their National Letters of Intent to play college football at the next level. Supported by their families, friends, coaches and school administration, Maurice Frost, Dominic Gonnella, Gabriel Jones and Quinton McCoy will follow their dreams and play the sport they love at different colleges around the country.

This team of elite athletes had a combined total of over 1,100 receiving and running yards, 86 tackles and 5 sacks. All four athletes will be attending Division 1 schools.

Wide Receiver Maurice Frost is headed to be a Navy Midshipmen, Running Back Dominic Gonnella will be a Bison at North Dakota State University, Linebacker Gabriel Jones will join the Wildcats at Davidson College and Defensive Tackle Quinton McCoy will be a part of former Tampa Bay Buccaneers Head Coach Lovie Smith's team as an Illinois Fighting Illini.

Congratulations and Good Luck on your journeys!
