BNA BRIEFS

Bike Lane Markings Update Also Known as Share the Road with Cyclists

Florida law recognizes bicycles as vehicles, so cyclists have the same rights and responsibilities as someone legally operating a motor vehicle.

New bike markings on Bloomingdale streets including Natures Way and Culbreath Road are a visual reminder of this fact. Several sections of Natures Way now have dedicated bike lanes for cyclist use.

Other sections where there is not enough space for a dedicated lane are also marked with bike images to alert both motorists and cyclists to “share the road!”

The bottom line is to improve safety for everyone on the road.

Note: Joggers and pedestrians must stay on community sidewalks.

2021 Community Scholarship Application Available!

Don't let the opportunity for \$2,000 in scholarship money slip through your fingers. Applications are available online at www.bloomingdalehoa.com, www.bloomingdale.life, and email at bl.neighbor1.com. The deadline is April 1. Mail completed applications to BNA, 3509 Bell Shoals Rd, Valrico, FL, 33596. Or, drop off the application at the office. Call (813) 681-2051/252-0252 for information.

Anybody Recognize the Artist?

Bloomingdale West Park on Canoga Drive was hit hard by graffiti vandals last month. Do you recognize the doodles? If you do, report the person or persons to the HCSO at 813-247-8000. If you don't want to report the incident, alert the parents or the BNA at 252-0252. This park along with BL East were both recently renovated. Let's stop the immature nonsense NOW!

Here Comes the Bunny!

The BNA is thrilled to announce that the Easter Bunny will return to Bloomingdale on March 21! Last year, residents Irene Rapoza, daughter Breanna Newby and her granddad, Gill Rapoza made lemonade out of COVID-19 lemons spreading bunny cheer throughout our community.

The route and specific times are still in planning, but it will be very similar to last year's Santa route. There will be designated STOP points along the route where families will be asked to gather for Bunny visits and photo ops. We will be unable to randomly stop along the route and we will not stop along Natures Way or Culbreath for safety reasons.

The Neighborhood Association is overjoyed to be taking part in what we hope becomes an annual Bloomingdale tradition!

Breanna Newby with Mom Irene Rapoza get ready to make Bloomingdale families, bunny happy on March 21!

Fretting Over Taxes? Virtual Help is Available

HC Press Release

Hillsborough County resources continue to connect residents with free tax prep assistance and software access.

No doubt 2020 was a year like no other, but how will impacts of a global pandemic affect your income tax? Hillsborough County can help you answer that question. Free tax preparation assistance for individuals or families is available from the Hillsborough County Extension Service.

Here are ways Extension Service can assist:

If you need minimal assistance, complete a short form at https://ufl.qualtrics.com/jfe/form/SV_56L1QtckKlqN9aK and you will receive access to the Extension Service free tax software program. This has no income limit and will allow you to prepare your income tax forms free and from the comfort of your home.

If you don't feel completely comfortable doing it all yourself and would like one-on-one remote assistance, you can make an appointment for a telephone or web conference chat. Internal Revenue Service (IRS) trained and certified volunteers will provide guidance as you complete the return using the same free tax preparation software. To schedule an appointment, contact Denise Kantak (813) 744-5519 ext. 54141.

You can receive help with questions relating to tax credits for items such as the Earned Income Tax Credit, Child Tax Credit, Saver's Credit, Recovery Rebate Credit, education credits, and the premium tax credit. Extension Service cannot offer tax guidance on rental income or tax depreciation.

Assistance is available through April 8.

The Hillsborough County Public Library Cooperative (HCPLC) has information on their website for access to free income tax preparation help through AARP and the United Way Volunteer Income Tax Assistance (VITA) program. Appointments are limited and fill up quickly. Visit HCPLC.org/TaxPrepHelp for more information.

Lithia Pinecrest Intersection Improvements Make Roads Safer for All

If you live, work, or play in the Brandon, Fishhawk, or Valrico areas, there's a good chance you've noticed some major upgrades to the Lithia Pinecrest and Lumsden Road intersection during your daily commute.

The Hillsborough County Capital Programs department completed the highly anticipated Lithia Pinecrest Intersection Improvement Project in 2020, improving traffic flow at the intersection and providing safe, reliable transportation options for all road users.

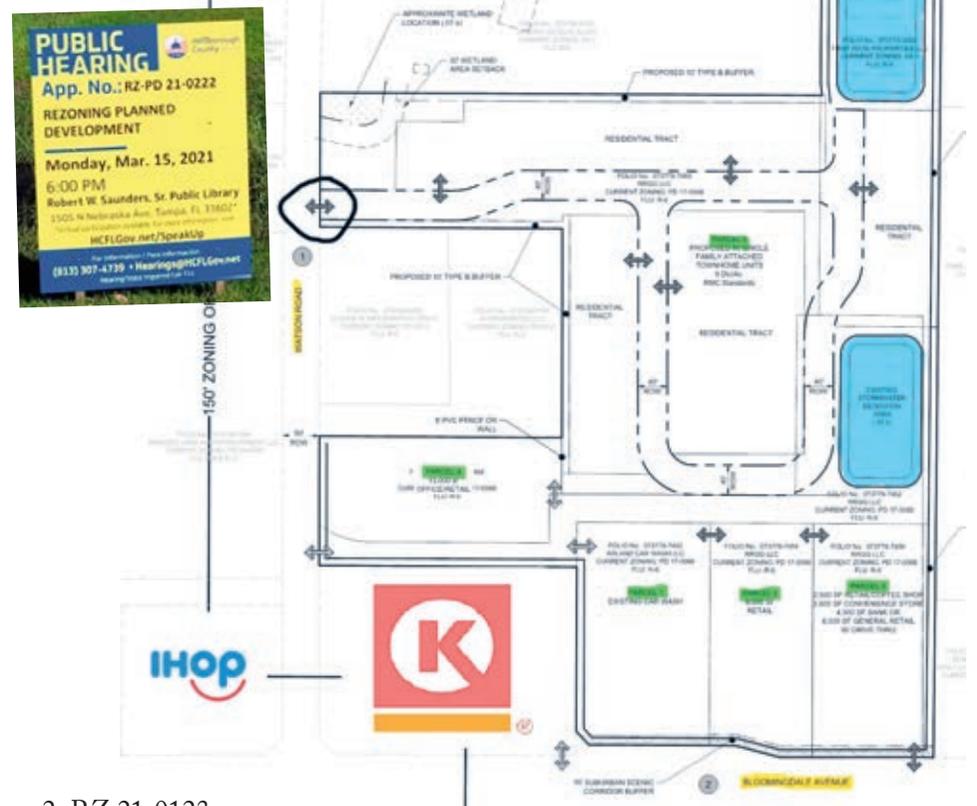

Love it or Love it Not, Get involved!

Two upcoming rezoning meetings will impact Bloomingdale. Residents are encouraged to attend these meetings to, at a minimum, voice their opinions/concerns.

Both Meetings are on March 15, 6 p.m. at Robert W. Saunders, Sr. Public Library, Ada T. Payne Community Room, 1505 N Nebraska Ave, Tampa, FL 33602. (*Virtual participation in this public hearing is available.)

1. RZ-PD 21-0222

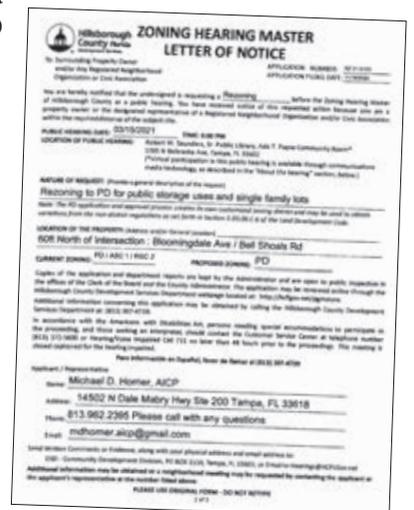

From the Bokors Corner Facebook page, Application RZ-PD 21-0222 at Bloomingdale Ave / Watson Rd is a request to modify and increase the number of townhomes to be built next to the Watson Glen neighborhood. The bottom line is an increase in townhome count from 63 to 90 and changing business uses for front parcels. Townhome access looks to be set for Watson Road only. Also included are four front Retail parcels with Parcel 3 to include a drive-thru coffee shop and bank.

2. RZ 21-0123

This application at Bell Shoals Road and Bloomingdale Avenue requests rezoning to PD for public storage uses and single-family lots. This is the current location of Bloomingdale Self-Storage.

The applicant is requesting to develop 4 buildings at a maximum of 32,000 square feet. Two of the buildings would be fully enclosed and two of the buildings would have a covered roof for RV/Boat storage and 3 single family homes. The proposed location is just 60 feet north of the intersection with Bloomingdale Ave. An access route would also be constructed on Bell Shoals Road.

POC for these projects is Michael D. Horner, AICP. Have questions? Call 813.962.2395 or email mdhorner.aicp@gmail.com.

All Aboard For This Year's Florida Strawberry Festival

By Michelle Colesanti

The Florida Strawberry Festival opens tomorrow, March 4 and will run through Sunday, March 14. The Festival grounds are alcohol-free ensuring a great family-friendly experience.

"We look forward to seeing our guests and hope they will enjoy all that the 2021 Florida Strawberry Festival has to offer," said Strawberry Festival President Paul Davis. "It is our goal for every person who walks through our gate to leave satisfied, knowing we offered them something truly special. This year, we are excited to provide our guests with an exceptional experience you can't find anywhere else - All Aboard the BerryFest Express."

Due to the pandemic, Festival officials have decided to forgo the headline entertainment this year. All other major attractions will continue including the rides, livestock shows, on-ground entertainment and exhibits. Plenty of additional free entertainment will be scattered throughout the festival grounds.

Masks will be required in all structures, including tents, stadiums and also on the rides. Social distancing is encouraged. Festival organizers will be adhering to all guidelines and recommendations from the Centers for Disease Control (CDC) as well as local, county and state mandates for the event. They are taking steps to make it as safe as possible for staff, volunteers and visitors. Several hundred hand washing stations as well as hand sanitizer stations will be scattered throughout the festival grounds. All of the bathrooms will have attendants keeping the facilities clean and well stocked.

Let's not forget what many go to the festival for; the fresh local strawberries, which can be enjoyed in so many ways.

Topping the list of strawberry delights is its world famous strawberry shortcake, but you can also choose an array of other 'berry sweet' creations including a chocolate strawberry shortcake milkshake or maybe some chocolate dipped strawberries. If you are looking for something more creative, try a hamburger patty fried on a griddle and topped with strawberry mayonnaise, strawberry relish and sandwiched between two sweet strawberry donuts.

Belle City Amusements will offer more than 80 rides and attractions on the Midway. Ride specials will be offered almost daily. Visit <https://FLstrawberryfestival.com/entertainment/rides-attractions/belle-city-midway> for additional information. There will be plenty of free entertainment included in the price of admission. Check out the schedules at <https://FLstrawberryfestival.com/entertainment/free-entertainment-2/> for a list of performers and dates and times.

This year's Berry Fine Productions Grand Parade will be merged with the Strawberry Youth Parade and held on Monday, March 8 beginning at 1 p.m. It will pass by the south side of the festival grounds at approximately 2 p.m.

Discount tickets can be purchased through March 14 at select Publix stores, at www.FLstrawberryfestival.com or by calling 813-754-1996. Advance discounted admission tickets are \$8 for adults and \$4 for children ages 6-12. Children five years old and under are admitted free with a paying adult. Tickets will also be available at the gates for \$10 per adult and \$5 for children over five.

The Florida Strawberry Festival grounds are located at 303 BerryFest Place in Plant City. Festival hours are 10 a.m. to 10 p.m. daily. For more information, visit <https://FLstrawberryfestival.com>.

The Florida Strawberry Festival runs from Thursday, March 4 through Sunday, March 14. This family-friendly event will have many protocols put in place to help keep this year's event safe for visitors.

Before the game, the Wharton Wildcats surprised Bulls Coach Shawn Vanzant by retiring the basketball jersey he wore while a student at the school.

Vanzant's #2 jersey is the first boy's jersey to be retired at Wharton. The former Wharton star was a four-year standout and led his team to its all-time best record of 29-2 in 2007.

Crossing Guard Proves To Be A Hero

By Michelle Colesanti

One special crossing guard, Kathleen Quinn, proved to be a hero for a young student at Cimino Elementary school last month.

Mom Mia Carlson was waiting for her daughter Madeline to cross the street at Culbreath Road and Natures Way Blvd. when a car swept by her, and continued through the intersection nearly striking her seven-year-old. Crossing Guard Quinn held up her stop sign, but when the driver did not slow down, she quickly jumped into action by pulling Madeline back to safety preventing what could have been a tragic situation.

According to Quinn, "I saw it coming and I put my arm out to make sure Madeline didn't get hit by the car. The car just kept going, and luckily no one was hurt."

Carlson ran over to Quinn and hugged her, extremely thankful for Quinn's swift response. "She [Quinn] goes toward the car with her stop sign and goes back for Madeline. As a mother, I was so thankful to her."

She now wishes she had had run after the car to get the plate number as it wasn't able to go far because of school traffic. The shocked Mom said, "So this car, couldn't wait five seconds, but then was stopped 50 yards away, still in front of my house, because of cars trying to turn into the school."

In the aftermath, Hillsborough County Sheriff's Office (HCSO) Sheriff Chad Chronister said, "Though she has only served two years as a crossing guard, she undoubtedly possesses the skills, and above all, the intuition needed to perform

HCSO Chief Deputy Donna Luszczynski presents Crossing Guard Kathleen Quinn with a challenge coin for her heroic efforts.

this critical duty. Without hesitation, she stepped into harm's way to protect a child from a reckless driver. I am overwhelmed with pride to say she is a part of our team of dedicated crossing guards who treat every child on their route as their own and ensure they get to and from school safely."

Governor Ron DeSantis declared February 5 as Crossing Guard Appreciation Day, and the HCSO recognized the 295 men and women who help our children get to and from school safely every day.

As Carlson so eloquently put it, "You cannot rewind something like that. If something happens, you can't take that back. When you are driving, it's like a weapon. You have got to be careful."

Athletes Make History, Again

By Jane Owen

On Feb. 3, Bloomingdale High held the largest collegiate signing in school history. 13 athletes signed letters of intent to compete at the college level.

Only 6% of high school athletes get the opportunity to compete in college.

Bloomingdale has 14 seniors signed to play college football (12 players on Feb. 3rd and 2 players in the fall). The football team continues to make history even in the off-season. Season achievements include: first time District Champions, first time Regional Champions, first year attending a State Series Final 4, and the first year both Junior Varsity and Varsity went undefeated in regular season

The football players were not the only ones to make history. Nathan Pepe is the first Lacrosse player in school history to sign to play in college. Huge congratulations to Nathan Pepe! Good luck at Birmingham Southern College!

Congratulations to these graduating football players and good luck on your next season!
