

# THE BLOOMINGDALE GAZETTE

A Publication of the Bloomingdale Homeowners Association

VOL. I NO. 15

5 Dec 80

## Business Briefs

### IT'S YOUR MOVE!

The Bloomingdale Homeowners Association is in full swing for 1981. The direction that your association takes in the future depends on you as a member. A membership drive is now underway, so join us for a unified voice in preserving our area and exercising our rights as home owners.

If you have a project to share, a question, or just love to meet new neighbors, join us on the second Tuesday of each month at the General Assembly meeting.

Merry Christmas and  
Happy New Year  
from your Board of  
Directors

### MEMBERSHIPS

Our membership drive is in full swing. We are collecting the 1980-81 annual dues of \$20.00. If you have not paid your dues as of yet, please come to our Dec. 9 meeting and pay there, or contact me at 1005 Highgrove Ct., 681-6853.

Your support is necessary for us to provide a solid base to negotiate with the County, Developer, and Builder. Come and join.

Hal Labkon

### POND ANALYSIS RESULTS

On Sept. 23, 1980, the Environmental Protection Commission took a water sample from the pond behind the models. No organochlorine or organophosphorus insecticides were detected.

The delay was due to the fact that some of the tests took over 6 weeks to obtain results.

Pam Labkon

### CABLE TV

Yes! Cable TV is finally coming to Bloomingdale. Teleprompter will begin construction of the cable system on Monday, Dec. 8, 1980. The construction will take an estimated 60 days to complete, and then individual homes can be hooked up to the cable.

The initial construction will take place on Belle Shoals Rd. and then move into our development. Some of the underground installation will be done in rear easements.

Further information on construction, rates, and available services will be forthcoming.

### DEADLINES

December 15 for December 19  
January 6 for January 9

**news you can use****NEW STAFF**

The editor, Linda Carr, and chairman, Pat Bowen, of the Gazette, would like to thank the new staff for coming aboard. The Gazette staff is as follows:

Linda Carr	Editor
Bernie Thomas	Acting Asst.
Joyce Uphoff	Classified
Addy Boozer	Reporter

Dee Jernigan	Circulation
Bernie Thomas	Circulation
Phil Witter	Circulation

**SANTA IS COMING!**

Sunday, Dec. 21, at 2:00 pm, Santa makes his official arrival in Bloomingdale. Be on the lookout for the jolly man in red as he journeys through, handing out goodies to all the children.

Santa will begin his journey on the West side of Casaba Loop through all of the North side, then onto Briarlake and all of the South side, and finish up in the Estates. Be sure to mark your calendar for this big day in Bloomingdale.

This Christmas project is just one of the things your Association accomplishes with your membership dues.

P.S. Don't forget your camera. Santa always likes to be in a picture.

**news you can use****CHRISTMAS COMES TO BLOOMINGDALE  
SUNDAY, DEC. 21**

Help spread the Christmas spirit throughout Bloomingdale! Mark your calendar for a "Christmas Special". We will gather at Frank Givliani's house, 4002 Eastridge at 7:00 to go Carolling through the development. To complete the evening, we will return to John Jernigan's garage, 3806 Casaba Loop, for coffee, hot chocolate, and goodies.

This is an evening to be enjoyed by everyone, so come out and share the joyousness of this season with your friends and neighbors. If you cannot make the carolling, please come and have a cup of coffee and some goodies with us afterwards and meet your neighbors.

**CRAFT CLUB**

The next meeting of the Craft Club will be held Dec. 8 at the home of Bernie Thomas, 4005 Briarlake at 8:00pm.

A Cookie Exchange will be held. Each person is to bring 4 dozen cookies and the recipe. Bring Holiday ideas to share.

Everyone Welcome!

General Membership meeting  
9 December 1980, 8pm,  
Sales Office

Board of Director's meeting  
6 January 1981, 8pm

ORIGINAL

REPRODUCED

1. The first section of the report  
describes the general situation  
of the project.

2. The second section deals with  
the methodology used in the study.  
This includes a description of the  
data collection and analysis methods.

3. The third section presents the  
results of the study. It includes  
a summary of the findings and a  
discussion of their implications.

4. The fourth section discusses the  
conclusions of the study and  
provides recommendations for  
future research.

5. The fifth section contains the  
references used in the study.

6. The sixth section is the  
appendix, which contains the  
raw data and other supporting  
information.

7. The seventh section is the  
concluding remarks, which  
summarize the main points of  
the report.

The following table shows the  
results of the study.

The data indicates that there is  
a significant difference between  
the two groups.

The results of the study are  
consistent with the hypothesis.
