Dear Friends & Neighbors:

Our guest speaker at our next General Membership meeting will be Commissioner Jerry Bowmer of the Hillsborough County Commission. Commissioner Bowmer has been invited to our meeting to explain how the County government works; his role as Commissioner; and to answer questions which you might have regarding the role of government or an issue of concern. A LARGE TURNOUT WOULD BE APPRECIATED.

For those residents who were unable to attend our first block party on April 26th; I am sure that I speak for all when I say that everyone had a great time. The food was delicious and the conversation varied. Somewhere between 85 and 95 adults and who knows how many children enjoyed themselves and hopefully established new friendships with those they met. Our congratulations to Peg Witter and crew for planning an excellent time. It was suggested that we do it again. How does the 4th of July weekend sound? More at this month's meeting.

Your Association is in the final stages of completing a survey to determine the sentiment regarding street lights. It has been brought to our attention that, in some cases, the opinion of the spouse interviewed might not be the opinion of the spouse who was not contacted. Therefore, if any spouse who feels the recorded opinion expressed by their spouse does not reflect their own opinion, please contact Hal Labkon at 681-6853 (1005 Highgrove Court) between now and our May meeting and he will gladly record your opinion.

Our next meeting is scheduled for 8 P.M. on Tuesday, May 13 in the Bay Homes Sales Office. See you there?
