A PUBLICATION OF THE BLOOMINGDALE HOMEOWNERS ASSOCIATION

VOL. II No. 10

August 1, 1981

SECURITY REPORT

A house on Orangepointe was broken into late Tuesday night, July 21st. The occupants were asleep at the time. They came in by lifting the patio door off of the track.

This time, however, the owners were lucky. The Sheriff was able to catch the burglar the next evening and recover most of the stolen articles.

Protecting your home from this kind of entry is very easy.

According to the Sheriff, 4 screws, 2 placed above each door about 2 inches from the end of the doors, will prevent the door from being lifted out. Place the screws into the track above each door.

Wood or metal dowels laid in the track will prevent the door from being slid open.

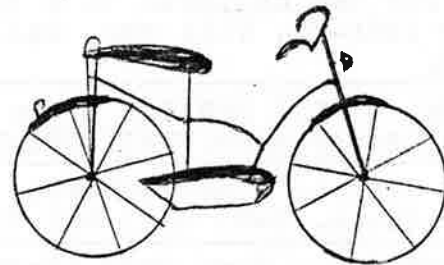

For further information on making your home burglar-proof, contact the Crime Prevention Division of the Sheriff's Office at 247-6411.

TENNIS KEYS

Some questions have been asked regarding the distribution of tennis keys to new residents. We hope this article clarifies the situation. Tennis keys are available to all residents of Bloomingdale. We ask for a donation of \$1 to cover the cost of producing the key. The keys cannot be duplicated and a cost of \$15 will be assessed if a key is lost. The courts were locked up as a method of protecting the playing surface and nets. If you see someone harming the courts, please ask them to leave.
