

THE BLOOMINGDALE GAZETTE

A PUBLICATION OF THE BLOOMINGDALE HOMEOWNER'S ASSOCIATION

VOL. III, No. 16

August 13, 1982

Hi, Neighbors!

I have, on occasion, been accused of using sensationalism to make a point. Therefore I am dedicating this letter to simple statements of fact.

There is a large vein of gold just beneath the surface in Bloomingdale West. A volcano has been discovered near the Luke's residence in Bloomingdale East. Criterion, in cooperation with the 4H Clubs of America, has leased a herd of water buffalo to be used for mowing/fertilizing the common grounds of the Estates. A spherical bowling alley is scheduled to be built directly above the Uphoff residence.

EDITOR'S NOTE

As many of my neighbors know I took in an abandoned dog this week. After many phone calls I was unable to find a home.

I phoned "Adopt-A-Pet/Spay-A-Pet" at 251-5020 for help. Within 24 hours I had 2 phone calls. We're still waiting for them to pick up the dog, but what a nice ending.

In their "Spay-A-Pet" program they pay 50% of the vet cost. The service is open to all pet owners. Call them at 251-5020 for further details.

SCHOOL IS STARTING

Public School will be starting August 26th. If you have any questions concerning enrolling your child call the School Board at 272-4000.

Also, be sure to watch for the kids at the bus stops on that day. We tend to get into the habit of not seeing them there.
