

THE BLOOMINGDALE GAZETTE

A PUBLICATION OF THE BLOOMINGDALE HOMEOWNER'S ASSOCIATION

VOL. III, No. 4

January 9, 1982

----- CLOSE ENCOUNTERS OF MANY KINDS -----

Dear Friends & Neighbors,

Please take time to read this letter because it will affect each & everyone of us directly. As you are aware there is considerable controversy over the potential loss of our recreational area in Bloomingdale East. You may not be aware that the recreation area/park in Bloomingdale West may also be lost to us by becoming a part of a new YMCA to be built within the 17 acres of that park site. There is also planning underway which could result in relocating & enlarging the little league complex presently located at the intersection of Bloomingdale & Lithia-Pinecrest roads. This enlarged complex (which is operated & administrated by another civic association) could wind-up somewhere within Bloomingdale East.

There was recently held a special meeting with representatives from B.H.A. & Criterion Corp. in attendance. These points & many others were discussed at great length. It is not possible in these few short sentences to cover the details of the meeting. However - these items & many other important items, some options available to us to impact the future of these items; and some possible benefits to our community based on how we impact these items - will be the major topics for our general membership meeting on January 19, 1982. Please attend this meeting as it is very, very important to us all. I urge all non-member residents to attend also. Please note the change in meeting time for this one meeting.

Sincerely,
Bob Knott
President
