

Dear Friends and Neighbors:

APATHY! Webster's New World Dictionary defines the word apathy as - "lack of emotion, interest; a listless condition, unconcern, indifference".

Boy was old Mr. Webster right when he wrote that one. Must have had the Bloomingdale development in mind.

Your Association is a little over a year and a half old and sometimes it feels like we've been here for 20. We've had our growing pains, organizational and directional problems. But we've made it thus far and plan on being around as this development grows to its planned expectations.

This Association just does not represent Bloomingdale East, West, Estates, Bell Shoals, South Oak, or any of the unnamed sections still to be developed. It represents the entire Bloomingdale development from John Moore to Lithia; from Bloomingdale to just north of the Alafia. It represents you and every future resident.

What concerns you? Does the prospect of having condominiums built in back of you concern you, then it just might concern the Association. Does having a waste water treatment plant in the neighborhood concern you, then it just might concern the Association. Does the fact that your child has to be bused 30 miles to school concern you or that your high school age child is on double or triple session, then it just might concern the Association. Does the fact that a new high school may be built north of I4 instead of south of 60 concern you, then it might concern the Association.

There is so much that might concern your Association only if you care enough to concern yourself with the issue. Your Association stands ready to assist in whatever you decide as a majority should concern us.

Let us know what concerns you. If we can help, we will.

Our next meeting is scheduled for Tuesday, July 21, at the sales office at 8 PM. Coffee will be served starting at 7:30 PM. See you there.

Fred Uphoff
President

FOUR LEGGED PROBLEMS WILL BE ELIMINATED!!!!!!

How do you like cleaning up your garbage at 6 AM after your INCONSIDERATE neighbors have allowed their "pet" to roam unrestricted and in violation of the Hillsborough County's Leash Law? Well - I hate it, and I'm declaring war!!! I will use every legal means available to eliminate this problem from our community. So, if you love your pet, keep it on a leash; if you don't love your pet then you won't care when it suddenly disappears.

Bob Knott
Spokesman for Concerned Neighbors

P.S. This goes for unrequested fertilizer as well.

KIDS KORNER

WHAT: Bike Rodeo & Inspection
