

THE BLOOMINGDALE GAZETTE

A PUBLICATION OF THE BLOOMINGDALE HOMEOWNER'S ASSOCIATION

VOL. III, No. 14

June 11, 1982

Hi, Neighbors,

I promised you I would shorten our meetings, and I have. This next meeting promises to be equally as short as our last. There will be one difference at this next meeting - it will be dedicated primarily to good news. My basic agenda will include the following items:

- committee reports
- guest speaker
- summer activity plans
- YMCA issue update
- Criterion beautification update
- Old and new business
- Special Taxing District update

I would like to make one plea to some of you. Every month we have the same 15 to 35 people at the meeting. I'm only asking for 1½ hours of your time each month, and on behalf of your Board of Directors I ask all of you who do not attend to please join us for refreshments, news and neighbor-to-neighbor fellowship. I hope to see you this Tuesday.

Bob Knott
President, B.H.A.

P.S. Do you know why elephants paint their toenails red?
(Come Tuesday and I'll tell you the answer.)

BRANDON BALLOON RALLY

This year the Bloomingdale Homeowners' Association is having a Coca-Cola concession at the Labor Day Brandon Balloon Rally. We need people (men, women, & teens) to help work the stand. If you can donate 2 hours on Labor Day, please contact Wendy Neuhoff at 685-1222 or Brenda Manning at 681-2424.

General Meeting

June 15th, at the Pulte Sales Office in Bloomingdale East.
7:30 pm - Coffee and 8:00pm - Meeting.

Y'all Come !!!

"CRITERION CORNER"

My office has had a lot of calls as to what Criterion is doing to Bloomingdale. I hope you will continue to call me with your questions and comments.

The short walls are now being stuccoed and will be painted. The split-rail fencing should be completed shortly.

Our Beautification & Clean-Up program for Bloomingdale will continue steadily until completed.

While the program is being completed, the heavy equipment is causing the wildlife, snakes, etc., to relocate. Please urge your children to use caution while playing outside. It's not unusual to hear comments of seeing Coral or Rattler Snakes in yards or along the street.

I am also glad to hear that many of you are calling Frank about deed restrictions for clarification. This can prevent future problems and Frank will be glad to go over these restrictions with anyone who calls him at the Criterion Office, 681-7784.

Director of Sales
Retail Lot Division
