## GIL WHITTON COMES TO BLOOMINGDALE

Gil Whitton, host of local radio & television gardening shows, & prominent local horticulturist is coming to Bloomingdale on Saturday, Oct. 23rd, at 10:30 am. Mr. Whitton will conduct a 2 - 3 hour tour of our neighborhood, discussing Florida gardening & answering your questions. This is being sponsored by your Bloomingdale Homeowners' Association.

We plan to make 3 or 4 main tour stops with each made up of 3 or 4 subject yards. This way we can cover a wide area & variety of subjects.

Examples of the type of information you can expect are:

- How to spot & diagnose spider mites on various plants.
- Which Juniper are the hardiest.
- How to prune & care for your young trees.
- What to spray your lawn with to get rid of the weeds.
- Which trees in your yard you can expect to die within 5 - 7 years.
- What plants will tolerate the cold, which ones to cover.
- What trees to plant for rapid growth & maximum shade.

We do need your help though - We need yards we can tour & discuss. We need all types, new, old, Bahia, St. Augustine, professionally landscaped or no landscaping. To find out more or volunteer your yard, call Don Luke at 689-8090.

One final note: This tour is FREE. Oct. 23rd, 10:30 am - 1:30 pm.

## CRITERION CORNER

### "ODE TO OUR PREPPIE"

She's gone now --- to that great Preppie Hangout in the sky! Captured last week by officials & our very own "Bloomingdale Vigilante" ---- Frank "G". Cut down in her prime, as the sun rose over "Pond Bloomingdale", with a damp chill in the air, they waited --- the trap was set --- she took the bait --- need we say more?

Eight feet long & very dangerous, she met her end, BUT, are we safe? Should we now roam free in the woodlands? By all means, NO!!! We have been warned to stay clear of the ponds! Tell your children that these are not the cuddly sort but fast & ferocious. We have been given no guarantee that our eight footer was of a spinsterly nature -- she might have had children of her own!! Sooooo..... don't feed them -- they really can take care of themselves & make poor pets!
